- ***Visionary Sponsor* - $18,000**. As a point of comparison, this amount is the approximate cost of our Retreat Program. CRSM is developing well-rounded future leaders by encouraging students to think intentionally about their goals, faith and talents, and helping them apply those to their future plans.

  - **Recognition on event invitation***
  - **Prominent** placement of **full-page ad** in program book
  - **Promotion** on all media and **Tribute** on video screens throughout the evening
  - **Verbal** recognition during the event program
  - **One table (12 guests)** at event, with premier seating; champagne and chocolates for table

- ***Academic Sponsor* - $12,500**. This amount is equivalent to the cost of educating 1 CRSM student for a year. While we spend roughly the same amount per student as the neighboring public schools, we are graduating a much higher percentage and direct-enrolling 70% of our graduates into 4-year college programs.

- ***Professional Sponsor* - $7,500**. Technology skills are vital for 21st century careers; this is one reason why every one of our students is provided a Chromebook to support their studies and research both inside and outside the classroom. This amount covers the cost of Chromebooks for 25 students.
